**Subject:** kid-FRIENDLY Weekly Memo, July 2, 20015 (for July 3, 20015)  
**Attachments:** YouTube-for-Educators.pdf; HTH Flyer.docx; PBL-Registration-Flyer-6.19.15.pdf

**Reminder: FRYSC Activity Plans**

FRYSC Activity Plans are being approved and funding processed July 1 to August 30, 2015. Once an entire district's plans are submitted/approved, funds will be sent to the districts. They should be emailed to Elisa Beth Brown at [elisa.brown@ky.gov](mailto:elisa.brown@ky.gov) and questions also directed to her.

2. **Reminder: You Tube for Educators, July 8 (or 9)**

Technology is an important part of personalizing learning and YouTube offers valuable resources. If you haven't registered anyone for the July 8 workshop, we encourage you to take another look at the attached flyer. July 8 in Oldham County and July 9 in Bowling Green are the only times we will have Alice Keeler with us. And, like all kF professional learning events, it is free to personnel in member districts.

3. **Reminder: PBL Sessions still have openings**

There are two PBL sessions July 8-10. High Tech High (MS & HS teams) have a session in Oldham County and Buck has a session in Bowling Green. These are free to personnel in OVEC and GRREC kF districts. Flyers attached.
