1. **OVEC kF Superintendents' Meeting July 29, following Board of Directors' Meeting**

OVEC kF staff and kF Project Director Sandra Baker would like to meet with superintendents **immediately following the July 29 Board of Directors' meeting**. This is a grant midpoint opportunity for staff to get feedback regarding grant implementation and to hear suggestions. For more information contact Molly Sullivan ([msullivan@ovec.org](mailto:msullivan@ovec.org)).

2. **Need Name and E-mail address of District Media Reps**

In the coming month, kid-FRIENDLY Communications Director Alicia Sells will be developing a number of press releases related to the overall work as well as some specific to initiatives at the district level, particularly the Mini Grants to Teacher Leaders. **Please send her the name and email address of the person in your district who handles media relations:** [asells@ovec.org](mailto:asells@ovec.org). She will share the releases with him/her for draft review (and distribution to your local paper if you prefer to handle locally).

3. **Data Retreat "Refreshers" Registration**

Fifteen of the 30 OVEC principals requested a short refresher for their data teams prior to the release of state data, so we have scheduled three sessions, each at the Stratton Center (215 Washington Street, Shelbyville). Each session will be limited to five teams. This is an opportunity to review the steps, get questions answered, and make a plan for reviewing state data when it is released. For more information contact Molly Sullivan ([msullivan@ovec.org](mailto:msullivan@ovec.org)).
