Subject: kid-FRIENDLy Weekly Memo, June 25, 2015
Attachments: Kid FRIENDLy Principal summer regional meeting invitation.docx; HTH Flyer.docx; Quaglia Flyer (00000002).docx

1. OVEC kid-FRIENDLy Principals' Get Togethers

We have scheduled two opportunities for principals (and a guest of their choice) to meet at OVEC, have lunch, and discuss their school-based efforts to personalize learning. The attached invitation will be sent to all OVEC principals next week. Points of Contact and Superintendents are also welcome to attend either session (please RSVP). For more information contact Molly Sullivan (msullivan@ovec.org).

2. High Tech High Problem-based Learning Workshop and Student Aspirations Institute (Reminder & Suggestion)

These OVEC-sponsored events are free for teachers and administrators in kid-FRIENDLy districts (flyers attached). We encourage you to take advantage of these and other opportunities while this funding is available. One kF principal has invited SBDM parent members to attend the Student Aspirations Institute, so please know they are also welcome to attend with kF paying registration. For more information contact Molly Sullivan (msullivan@ovec.org).
