1. **Data Retreat Train the Trainers Opportunity (Date Change)**

As indicated in previous kF Weekly Memo, there will be a three day training for kF and GRREC/OVEC staff members to learn the data retreat process. Districts are invited to send representatives if they are willing to have them provide the training in OVEC on an occasional basis with others. The original dates (August 12-13-14) fell in the first week of school for some OVEC districts so we have changed that date to **August 24-25-26**. We will meet at the Hardin County Board of Education in Elizabethtown, 8:30-3:30 each day. Registration information will be available mid-June. For more information contact Molly Sullivan at msullivan@ovec.org.

2. **PBL session addition, July 8-10 in Elizabethtown**

The June 24-26 Buck PBL training has a waiting list so an additional session will be offered **July 8-10** in Elizabethtown. Registration information will be provided next week and will be sent to Points of Contact as soon as it is available. Contact Molly Sullivan for more information (msullivan@ovec.org).

3. ***District Funds Distribution* document**

The *District Funds Distribution* document is attached and provides details about grant funding. Please contact Dennis Horn (dhorn@ovec.org) if you have questions.

4. **EILA Certificates for Covey Trainings/Additional Materials**

Attached please find EILA certificates for those who attend(ed)Speed of Trust, Empowerment Day, or Achieving Schoolwide Goals through June 30, 2015. Also, if schools have excess FranklinCovey materials shipped for the trainings, please email Kellie.Rich@franklincovey.com for return authorization slips. For more information contact Liz Brewer at liz.brewer@grrec.ky.gov.
