Subject: kid-FRIENDLY Weekly Memo, May 22, 2015
Attachments: Cognitive Coaching Flyer.pdf; Quaglia Flyer (3).docx

1. Please see the attached flyer for information on the eight-day Cognitive Coach training beginning in August. It is available for Kid-FRIENDLY school-based and district administrators *free of charge*. For more information contact Tracey Harris at tharris@ovec.org

2. Please see the attached flyer for information on the Student Aspiration Institute July 23. It is available for Kid-FRIENDLY school-based and district administrators *free of charge*. For more information contact Tracey Harris at tharris@ovec.org

3. We have been fortunate to work with Aaron Wilson-Ahlstrom in our Design Thinking work. He is helping us build capacity so that after the grant we have administrators and teachers who can integrate these strategies in their work. We encourage you to have 4-6 people in your district attend two training sessions (many participated last year), practice using any/all of the strategies (empathy-define-ideate-prototype-test), and work with others. We are especially excited about our workshops for classroom teachers, developed by Cricket McClure, Reggie Taylor, Susan Dugle, and Mike Stephenson, with the planning facilitated by Aaron.
