Subject: OVEC kid-FRIENDLy Weekly Memo, September 25, 2015

1. Thank you for such strong support at the September 18 Community of Practice/Community of Learners Forum. We were pleased to have more than 70% of administrators and more than 80% of teacher leaders participate. Those unable to be present will receive communication from the Leadership Mentor or Coach. For more information contact Molly Sullivan at msullivan@ovec.org

2. We have attached two versions of the data collection timeline chart . . . one is comprehensive and probably most useful to the Points of Contact. The other includes only those items collected at the school level; it is probably most useful for principals. For more information contact Brandi Botts at Brandi.Botts@ky.gov.
